

BELGRADE  
PSYCHOANALYTICAL  
SOCIETY

Dear colleagues and friends of psychoanalysis,

We warmly invite you to

**"Antonino Ferro Belgrade Seminar"**

It is our pleasure to share the privilege of learning, exchange of knowledge and experience with one of the most creative and most intriguing contemporary psychoanalyst. Transformational forces of psychoanalysis, as a foundation of Bion's inheritance, are the source of constant inspiration for clinicians as well as for theoreticians of psychoanalysis with strong implications on its future.

Along with lectures, open to the public, therapists and candidates of societies of psychoanalytic orientation, by registration, are entitled to participate in discussions and supervision group, as well as in a meeting with this unique author deeply rooted in everyday clinical practice.

Antonino Ferro is a training analyst of Italian Psychoanalytic society, and visiting professor of many psychoanalytic institutions in Europe, North and South America and Australia. He is former president of Italian Psychoanalytic Society and consultant-editor of a leading psychoanalytic magazine (International Journal of Psychoanalysis). He is the author of numbers of books and publications translated into more than twenty languages. He is the winner of a prestigious Sigourney Award for 2007, for his contribution to psychoanalysis. He works in private practice in Milano and Pavia, as an analyst and supervisor.
